

36th Annual Osseo Lions Roar Craft Fair and Art in the Park

Osseo is celebrating Lions Roars Days this year on September 6th and 7th, 2013. The Osseo Business Association invites you to join with other crafters and artists as they exhibit outdoors along Osseo's Main Street and Veteran's Memorial Park.

A completed and signed application, which is required to be considered for a spot in the 2013 Osseo Lions Roar Craft Fair and Art in the Park, indicates that the exhibitor has read and agrees to abide by the following rules and regulations.

Dates and Times:

Friday, September 6, 2013: Noon – 5:00PM

Saturday, September 7, 2013: 9:00AM – 5:00PM

Exhibitors can designate to be open either one day or the other, or choose to be open both days. Exhibitors are required to be open during the designated times on the day(s) selected. This year's craft fair and art in the park will be once again held outdoors in rain or shine.

Exhibitor Items:

We are open to anyone with crafting abilities, to photography, to potters and jewelers, to local artists and woodworkers, and so much more. The possibilities are endless and not limited to anyone!

Exhibitors must remain at their designated booth and must not complete sales elsewhere.

Exhibitor Spaces:

Each exhibitor will be assigned a space approximately 10 x 4. There are 10 x 10 spaces available in the park and city hall-library for free standing canopies. Each exhibitor will be responsible for any displays left at the booth overnight.

We will try our best to designate specific areas for each type of exhibit. Any request for special locations must accompany your reservation. Requests will be honored on a first come – first serve basis. A location map of both the park and Main Street are enclosed for you. Please refer to map numbers when selecting your desired space. Exhibitors registering for both days will be given priority over those attending only one day.

You will be notified by mail, 7-10 days before the fair with your exact location and other details.
